Terms and Conditions:

Based on past balloting history, we would like to inform that the school is only accepting applicants whose children are Singapore Citizens.

The work areas required by the school are likely to be performed during office hours on weekdays. **Parents are advised to carefully consider their availability before committing to an application.**

To be eligible for Phase 2B registration, parent volunteers must complete **at least 80** hours of volunteer service by 30 June 2025. The school will not be responsible if the parent volunteer is not able to fulfill the minimum 80 hours of voluntary services and hence not able to meet the requirements for registration in Phase 2B of the Primary One Registration Exercise. Under such circumstances, the parent may register their child during Phase 2C.

Parents can share volunteering hours. For instance, the child's mother completes 40 hours of service while the father completes the remaining 40 hours of service. However, they are **not** allowed to enlist help from other people (e.g. grandparents, maids, friends, relatives etc.) to clock the hours for them.

Please note that children are not allowed to accompany their parents during volunteer activities for safety reasons.

Upon completion of the **minimum 80** hours, a parent volunteer is **not** guaranteed a place in the school. Balloting according to MOE guidelines will be conducted in the event that the number of applications for Phase 2B exceeds the number of vacancies available.

Please note that admission to the parent volunteer scheme is not guaranteed and that only **shortlisted** applicants that apply before the closing date would be notified to attend an interview. Appeals from unsuccessful applicants would not be entertained and late applications will not be considered. Reasons for non-selection will not be communicated under any circumstance.

Please note that a parent volunteer may be terminated by the school at any time if he or she is found to have provided false information to the school or displayed behavior unbecoming of that of a school parent volunteer.

A parent volunteer who wishes to withdraw from the Parent Volunteer Scheme can do so by writing an email to pcps@moe.edu.sg.

Application forms can be submitted via email to pcps@moe.edu.sg

Acknowledgement by Parents
